## INFORMATION LETTER

The Tajik State University of Commerce, in cooperation with the International Scientific Association RSAI, is organizing the International Scientific and Practical Conference “The 4th International Conference on Sustainable Regional Development in Central Asia,” which will be held on May 4–6, 2026, in Dushanbe.

The conference aims to provide a platform for speakers—leading scholars and researchers from around the world, particularly from Europe, Central Asia, and other regions—to exchange experience and knowledge on all aspects of modern science and sustainable regional development.

The conference is intended to serve as an interdisciplinary platform for presenting and discussing the latest developments, innovations, as well as existing challenges and practical solutions in the field of sustainable regional development in Central Asia.

The conference accepts papers in the following thematic sections:

- Sustainable Development
- Theory and Practice of Regional Development
- Legal Framework of Sustainable Development
- Economic Geography
- Digitalization of the Central Asian Economy
- Economic Theory
- Development of the Insurance Sector in Central Asian Countries
- Spatial Economics and Planning
- Environmental and Climate Analysis
- Customs and Logistics
- Spatial Data Analysis
- Economics and Finance in the Development of Central Asia
- Technologies in the Development of Central Asia
- Information and Communication Technologies and Innovative Education
- Development of Social Sciences, Humanities, and Pedagogy in Central Asian Countries

To participate in the conference, applicants must submit a participation application, the title and abstract of the paper (article), indicating the relevant section, to the following email address of the Conference Organizing Committee: TSUC&RSAI by March 10, 2026.

The full text of the paper must be submitted by April 20, 2026.

### **Guidelines for paper submission:**

- All accepted abstracts and papers may be presented during the conference. Authors may submit either a full paper or an extended abstract (in English, Russian, or Tajik).
- Only papers presented in person at the conference will be considered for publication in the **RSPP** journal (“Regional Science Policy and Practice”), indexed in the Scopus database (Q2, impact factor 1.7). In addition, the papers must undergo thorough peer review by international scholars. Accepted papers will also be included in a special issue of the *Bulletin of TSUC* (RSCI). This represents a unique opportunity for scholars from Tajikistan and Central Asia to present their research at the global level.
- To be included in the conference proceedings published by the Tajik State University of Commerce in the scientific journal *Bulletin of TSUC* (special issue indexed in RSCI, impact factor 0.09), particular attention should be paid to the content and formatting requirements, clarity and conciseness of style, and accuracy and consistency of presentation. The submission guidelines are available on the website [www.payom.ddtt.tj](http://www.payom.ddtt.tj) in the “Requirements” section.

### **The manuscript should be structured in the following order:**

- UDC (Universal Decimal Classification) — placed in the upper left corner;
- Full name of the author(s), academic degree and title, position, and institutional affiliation;
- Title of the paper (in Tajik, Russian, and English);
- Abstract (in Tajik, Russian, and English, 100–200 words);
- Keywords (8–10 words, no more than two lines);
- Main text of the paper;
- Conclusions based on the research results;
- References.

### **CONFERENCE PROGRAM:**

The conference program will be available one month prior to the event on the website: <https://tguk.tj/conference/#topics>, as well as on the Tajik State University of Commerce website: <https://tguk.tj/index.php/ru/>.

### **Organizing Committee Address:**

734061, Republic of Tajikistan, Dushanbe,  
1/2 Dehoti Street, TSUC, Department of Science and Innovation.
