About AlmaU

Almaty Management University is an entrepreneurial, socially responsible university striving to become more comprehensive and research oriented. In 2024, we celebrated 36 years in the education market, we are the oldest private university in the country, the first business school of the Republic of Kazakhstan, pioneer of business education in CIS. Since our establishment in 1988 AlmaU has taken the path of bringing innovative programs and projects to the market, developing an entrepreneurial spirit and a sense of social responsibility among students, faculty and impacted communities.

Today, AlmaU is a large community of successful alumni, creative students, faculty and partners. We broadcast the entrepreneurial mindset all over Central Asia, supporting economic growth through education.

The University team sets a clear goal of making a meaningful contribution to the development of Kazakhstan via fruitful cooperation with the business, government and society. In its operations AlmaU incorporates the UN SDGs, through following the UN Academic Impact, UN Global Compact and UN PRME principles and initiatives.

72% of undergraduate students study in the Russian language, 15 % - in Kazakh, 13% - in English. Postgraduate studies are delivered mostly in Russian, however, the Global EMBA program run jointly with AMS is an English-language program.
